

Postoperative Instructions for Myringotomy Tubes

1. You may use Tylenol and/or Ibuprofen for pain as needed
2. Use eardrops if prescribed, postoperatively – 3 drops, 3 times daily for 3 days.
3. Contact the office one (1) or two (2) days after surgery to schedule a postoperative appointment.
 - Office Telephone Number: 610-376-9728.
4. Fluid or a bloody discharge may drain from the ear canal for one (1) to two (2) days after surgery.
 - If the ear should drain a thick, irritating mucus please contact the office (610-376-9728).
5. Please call the office if you have any questions or concerns.
6. In the event of a medical emergency call 911 or go directly to The Reading Hospital & Medical Center Emergency Room.
